

This school year take a trip *anywhere*, be *anything*,  
with reading!

presents:

# Reading S.T.A.R.S.!

Sensory Trainng Approach to Readng and Spellng

**Reading STARS** is a program designed to enhance early reading and spelling skills of children in **Pre-Kindergarten** by training their awareness of sounds and letters through multi-sensory channels. We will play many fun-filled games and activities that will enhance children's reading readiness skills in an environment that is encouraging and supportive, allowing children to progress at their own pace. Each day, children will learn to feel, describe and label sounds and letters through various multi-sensory activities, including pre-writing tasks, songs, stories, crafts, and games. **Reading STARS** provides children with the phonological awareness skills that are the foundation to effective reading (encoding) and spelling (decoding).

After each class, parents receive a packet that includes a summary of the class' activities as well as ideas to extend the lesson at home. Our creative, interactive activities excite the children to become engaged learners while having fun!

## Reading STARS Enrichment program at Gluck Child Care Center Spring 2011

**Monday's**

**February 28 – April 18**

**10:00 – 11:00am**

**8 Classes**

**\$15/Class**
